Industrial Pressure Washers
...Built Right to Do the Job Right

TRV-3500

Customized, Trailer-Mounted
Hot Water Pressure Washer System

- Single Axle
- Customized Hot-Water Pressure Washer
- 3000 lb Load Capacity
- 200 Gallon Water Tank
- Swing-Away Tongue

■ 200 gallon white **High-Density Polyethylene Water Tank** comes standard with the trailer and features a 7-inch access port plus a 2-inch drain plug, 3/4-inch float valve and a 50-mesh outlet filter.

▼ The **Optional Hose Reels** hold up to 150 ft. of high-pressure hose and quick connects to chassis.

■ Made of extra-durable 2-by-4 inch 10-gauge formed channel and covered with a powder-coated epoxy black finish for weather protection; this **Heavy-Duty Chassis** features recessed lights with all electrical wiring recessed within the frame.

▼ Made to handle up to 1,000 lbs, the swivel **Trailer Tongue Assembly**, with a 2-inch ball coupler for quick and easy hook up of the trailer. Two 5/16-inch chains are also included for additional safety.

TRV-3500 Trailer

Shown with pressure washer and options

▲ Wheel and axle assembly features an **Industrial Under Carriage** leaf-spring suspension of up to 3,000 lbs. with 15-inch, white rimmed wheels and sturdy fenders.

▲ 3-way ball valve makes it easy to **Switch Water Sources** from the holding tank to direct water feed from a hose faucet.

▶ Made of durable 14 gauge steel, **Optional Rear-Mount Utility Rack and Side Saddle Boxes** provide generous tool storage.

▶ Durable **Swing-Away Tongue** (rated for 3,500 lbs) allows trailer to be stored in smaller area.

WHY CHOOSE LANDA'S TRV TRAILER

Landa has made customizing a trailer-mounted wash system for on-site cleaning an easy two step process.

Step 1: Select from four series of portable, self-contained, industrial-grade hot-water pressure washers, creating a contract cleaner's dream.

Step 2: Add any options and accessories, such as hose reels, rear utility rack, side saddle tool boxes, etc. to enhance the performance.

The TRV-3500 trailer is made of extra-rugged 2-by-4 inch 10-gauge formed channel. The wheel and axle assembly feature leaf-spring suspension of up to 3,500 lbs. and 15-inch, white rimmed wheels. A powder-coated epoxy finish gives the entire package added weather protection.

TRV-3500 Single Axle Trailer

Swing-away tongue saves valuable space in your facility and saves on shipping

TR Specifications

MODEL	TRV-3500
